Dear All,

Please reconfirm your earthquake preparedness!

- **Prevent furniture from tipping over using L-shaped metal fittings or tension rods.**
- **Confirm evacuation sites and routes.**
- **Confirm contact methods and meeting places with family members.**
- **Confirm stockpiles of food, water, etc., and prepare an emergency bag for quick evacuation.**
- **Stay away from places with high risks of tsunamis and landslides as much as possible.**
- **Keep checking accurate information via TVs, smartphones, etc.**

Usuki City will continue to call for reconfirmation of earthquake preparedness through the “City Website”, “Official LINE”, “Cable TV Text Broadcast” and “Disaster Prevention Administrative Radio”, so please pay attention to it along with news updates.
